#### RESOLUTION ON THE DEATH OF SIR JAMES GRANT

At the regular meeting of the Medical Board of St. Luke's General Hospital, Ottawa, held March 15th, 1920, the following resolution was submitted and passed:

**RESOLVED:**—That the Medical Board of St. Luke's General Hospital, Ottawa, at its earliest opportunity desires to place upon record its profound sympathy with Lady Grant and the members of her family in the great loss they have all sustained recently in the death of Sir James Grant, K.C.M.G., F.R.C.S., etc.

No name was wider known, or more respected, than that of the distinguished physician who passed through a long life of usefulness to society in general and to his fellowmen in particular. His love for his profession was his outstanding characteristic and wherever he went throughout the length and breadth of Canada, and in other lands, to advance the best interests of medicine and surgery he invariably received a unique welcome. To the profession of Ottawa, to whom he was best known, he endeared himself by his strong personality and integrity and it is universally admitted amongst us here that a blank has been left which will never be filled. He was philosopher and friend to all.

Sir James' Association with St. Luke's Hospital at Ottawa, where he has been on the consulting staff since its formation in 1898, will ever remain a pleasant memory to all his confrères, and it was a peculiar gratification to the entire staff to know that his last hours, due to an unfortunate accident, were spent in St. Luke's where he was ministered to by his eldest son and by his nephew, also members of our medical staff.
